Guidelines for ATSC-2018 Poster Presentations

1. Poster Presentations will be displayed on 18th of November from 12:30 pm to 13:30 pm in Functional Hall 1. Level 3 of Nanyang Executive Centre.

2. Clip and Pole Panels with the size of 2m (Ht) x 1m (W) per panel will be provided for Poster Session. **Panel is covered with Velcro Compatible nylon loop material.**

3. **Only VELCRO TAPE hook side** should be used on the clip and pole panels. **The conference will provide the VELCRO TAPE hook side**. **No thumbtacks, double side tape or other adhesive tape are allowed on the Pannel.**

4. The poster should be **A0 size** (841mm x 1189mm) in **portrait orientation**. It should be a visual presentation of your submitted abstract. The poster should be easily readable at a distance of two metres.

5. You may also submit the electronic version of your poster to us to be published on ATSC-2018 conference website.

6. We kindly ask Poster presenters to stand at or near by their poster for at least the first 30 minutes of the poster reception. This will allow you the opportunity to talk with delegates about your poster and answer questions regarding your work.

7. When you are not there, leave a note saying when you plan to return. You may also want to provide a mobile phone number or business cards so another delegate can arrange to meet you at a specific time.

8. There is no need to have a presentation but be prepared to answer questions and discuss your material with interested delegates.

9. You may use a computer if you wish to provide a live demonstration as part of your poster. Please bring your own laptop with well-charged batteries, as power supply may not be available.

10. If you have any queries please send emailto me at: mlgyu@ntu.edu.sg
